Company Profile

Xpressions Qatar Wll. was founded and started operation as a service provider to the ever expanding Construction Industry in Qatar in the year 2009. The company was formed as partnership firm under the chairmanship of Mr. Waleed Anber Waleed Al-Jassim who has been in the real estate development business for the last two and half decades with other two Indian professionals as directors of the company. In the short span of time from its inception Xpressions Qatar has made its presence clearly evident in the industry by extending its services in some of the major projects in Qatar. We have a list of satisfied clients & we believe that the main factor behind this achievement is our extensively experienced work force and the management team striving always for customer satisfaction by providing prompt & quality service.

Competitive Edge

Xpressions Qatar has a team of well-qualified personnel and a disciplined management, which is outstandingly creative and professional. Our personnel are highly qualified and well experienced with a commitment to customer satisfaction and outstanding results.

Capability

We stand out in a crowd as our well trained team consists of a skilled work force, diligent, dedicated staff members and a reliable source of suppliers. We have nearly 150 employees in different category who are well versed in their job and they are the strength and real asset of our company. A number of well equipped sub-contractors are readily available to support us in our big projects if more work force is needed for timely completion of jobs.
